

**MANCHESTER
APARTMENTS
RECREATION MEETING**

Parks and Recreation Director Johnny Ford, Recreation Superintendent Shane McAfee, Deputy City Manager Christine Tien, and Senior Administrative Analyst Florence Low met this week with representatives of Lincoln School District and apartment managers from the Manchester Apartments on Manchester Street. The purpose of the meeting was to investigate ways that the City can join with the established tutor program that Lincoln Unified already provides in order to enhance activities for the youth on that Street. The apartment managers estimate that there are approximately 1,000 youth living there. Several different options were discussed, including providing some "mobile recreation" that would include basketball and arts and crafts. Another was that the apartment manager said she would be willing to make repairs and reopen the swimming pool if City staff could come in and offer swimming lessons. (P & R)

PEACEMAKER AWARD

Congratulations go to Program Coordinator Thel

Atterbury of the Sierra Vista Community Center. Thel was one of several individuals to receive the Peacemaker of the Year award, given out recently by the Mediation Center of San Joaquin County. (P & R)

McKINLEY CENTER NEWS

Afternoon in the Park 2, a Tribute to the History of Music, sponsored by Persons Centered Services (PCS) was held at McKinley last week. This free event for the public featured Recreation for All People (RAP) participants performing music and entertainment. Other RAP activities held at McKinley throughout the week included music, dancing, singing, basketball, baseball, and daily meetings. McKinley's teen program welcomed a guest speaker who talked to the teens about programs available at San Joaquin Delta Community College. She also spoke about teen volunteer activities and the importance of staying in school. McKinley teens held a car wash to raise money to pay for a field trip this summer to Marine World. (P & R)

JR. GIANTS

Jr. Giants registration at McKinley Center for t-ball and baseball went well, with lots of parents registering their little

ones either for t-ball or for baseball. Officer Joseph Silva brought the Low Rider Patrol Car to McKinley for the enjoyment of the participants. Players were also informed about the baseball clinic coming up on June 20 at Delta College. (P & R)

INSTRUCTIONAL CLASSES

Tai Chi began a new series on Tuesday night at the Oak Park Senior Center. Fee is \$45 for 6 classes. The gymnastics program held its annual revue Thursday, May 29, at the Civic Auditorium. (P & R)

POOLS OPENING

Sod and sprinkler systems are being installed at the Oak Park and McKinley Pools in anticipation of their opening dates. Oak Park Pool will be open this Saturday and Sunday from 1 to 6 p.m. Both Oak Park and McKinley pools will be open throughout the week for lessons and recreational swim starting June 7. Victory Park Pool will be used primarily for lessons this summer and will be open on weekends for recreational swimming starting June 14. (P & R)

PARKS UPDATE

The Parks Division, with the assistance of Sheriff's work crews, is trimming oleanders on both sides of Hammer Lane. Plans are underway for the Parks Division to comply with this summer's 'Spare the Air' days. Downtown park sites have been treated with a fertilizer/herbicide product to control weeds. (P & R)

PIXIE WOODS AND CHILDREN MUSEUM RECEIVE FUNDS

Pixie Woods and the Stockton Children's Museum will receive \$3,000 each as designated beneficiaries of the June 9th Celebrity Pro-Am Golf Tournament at The Reserve. The money will be used for repairs, renovations, and programs. (P & R)

STOCKTON BLUES FESTIVAL

There was a modest turnout Saturday, May 17, at the Weber Point Events Center for the Stockton Blues Festival held to benefit the Child Abuse Prevention Council. Parks staff assisted throughout the event, keeping things clean and helping to supervise the site. (P & R)

CHILDREN & FAMILIES DAY

Approximately 1,200 people came to Pixie Woods Saturday, May 17, for the annual Children and Families Day co-sponsored at the park by the Family Resource & Referral Center. Community agencies provided information and activities for participants. (P & R)

GOLF REPORT

Flowers were purchased from Delta Tree Farm and planted around the facilities at all three City golf courses. New logo balls were ordered that will be exchanged for completed customer surveys that will be used as an e-mail

directory for golf patrons. Three trees were donated by the Swenson Golf Club for the scoreboard remodel project. They will be planted once all underground lines are identified. The Swenson Golf Club is also refurbishing the picnic tables and purchasing shade umbrellas as part of the remodel project. (P & R)

MCKINLEY CENTER ACTIVITIES

McKinley Community Center has a new Teen Coordinator named Ricardo Cobian. Cobian works at San Joaquin Delta Community College during the day and from 5 to 8 p.m. at McKinley. Teens at the Center have welcomed Cobian with a pizza party and have indicated their approval of his ideas for future teen activities. Members of the Recreation for All People (RAP) program enjoyed Person Center Service's Afternoon in the Park 2 at McKinley Wednesday, May 21. Last Thursday, May 15, McKinley Center staff treated Center kids to the lunar eclipse. The children were taken to the middle of the east soccer field at about 7:30 p.m. and stayed there with staff who explained about the lunar eclipse until about 8:45 p.m. During that period of time youth played games and were given treats to keep them interested in the celestial event. McKinley's teen club enjoyed a trip to Manteca waterslides to participate in a Friday Night Live Day, Saturday, May 17. Participants provided their own transportation to and from Stockton, paid their own discount admission, and got a free barbecue lunch from Friday Night Live. McKinley staff helped supervise some McKinley School students at the Kennedy Games at Delta College. The students participate after school in McKinley's Homework Club and basketball programs. McKinley staff also took 28 kids from the Center to watch the game between the Stockton Police

Department and the 49ers on Sunday. Many of the kids brought t-shirts that the players autographed. (P & R)

SEIFERT CENTER ACTIVITIES

Club Kid at the Seifert Community Center averaged 35 participants each day last week. The Seifert staff continues to offer hockey clinics every Tuesday to get the participants familiar with the game. Registration for the 1st – 8th grade Basketball, T-Ball and Jr. Giants started this month and the registrations are steadily coming in. Skate Park staff have reported no problems with their attendance. Last week 47 participants were in attendance. Seifert teen Nicole Vasquez has been named as a nominee to be on next year's Youth Advisory Commission. (P & R)

INSTRUCTIONAL CLASSES

Dog Obedience, instructed by Guaranteed Dog Training, began this week. The 6-week series fee is \$75, but that guarantees that your dog will respond to the training—slow learning dogs can repeat the class for free! Classes meet at the fenced picnic area at Oak Park. Tutoring began a new series on Thursday at Quail Lakes Baptist Church. School-age children can get help with math, reading, and writing skills in the twice a week one-hour classes. An Earring workshop and Jewelry-making for Kids is scheduled to begin on Saturday at the Seifert Center, with instruction by Rachel Nelson from Santa Cruz. (P & R)

STOCKTON FIRE DEPARTMENT

The Stockton Fire Department handled 731 calls for service in the week ending May 29.

- 98 Fires
- 496 Medical Incidents
- 48 Vehicle Accidents
- 14 HazMat Incidents
- 75 Miscellaneous Calls for Service

On Thursday, May 22, there was a structure fire in a multi-story, four-plex at **301 S. Laurel Street**. The cause of the fire is undetermined at this time. Three children and one adult were transported to the hospital for evaluation and treatment of smoke inhalation. The American Red Cross and the Stockton Fire Department Ladies Auxiliary were notified to assist the family. Damage is estimated at approximately \$25,000 to the structure and \$5,000 to the contents.

On Thursday, May 22, there was a structure fire in a residence at **308 Hampton Street**. The fire was caused by cooking materials and was extinguished upon fire department arrival. Damage is estimated at approximately \$500 to the structure and \$200 to the contents.

On Friday, May 23, there was a vehicle accident at **1315 N. F Street**. The patient was extricated and transported Code 3 to the hospital.

On Friday, May 23, there was a structure fire in a residence at **5432 Gladstone Drive**. The fire had been extinguished by the construction crew on scene. Damage is estimated at approximately \$3,000 to the structure.

On Sunday, May 25, there was a structure fire at Go Hyundai, **3717 West Lane**. The fire was caused by a solvent tank that had been left on. Damage is estimated at approximately \$1,000 to the solvent tank.

On Sunday, May 25, there was a vehicle accident on

State Route 26 at Shelley Road. One patient declined medical assistance and one was transported via air ambulance.

On Sunday, May 25, there was a vehicle fire at **1846 N. El Dorado Street**. The fire was beginning to spread to the home when fire personnel arrived on scene. Damage is estimated at approximately \$1,000 to the structure and \$15,000 to the vehicle.

On Tuesday, May 27, there was a structure fire in a detached garage at **1785 N. Hunter Street**. The fire from the barbeque ignited the garage and extended to the garage next door causing minor damage. Damage is estimated at approximately \$30,000 to the structure, \$10,000 to the contents, and \$1,000 to the exposure.

On Wednesday, May 28, there was a structure fire in a single-story, single-family residence at **6425 Herndon Place**. The fire was started by a three year old playing with matches. The child was rescued from the burning home by construction workers on scene. The mother and child were then transported to the hospital for evaluation and treatment of minor smoke inhalation by SFD M10. The American Red Cross and SFD Ladies Auxiliary were notified to assist the family. Damage is estimated at approximately \$100,000 to the structure and \$30,000 to the contents.

On Wednesday, May 28, there was a vehicle accident at **March Lane and Riverbrook Drive**. One patient was extricated and secured to a backboard for c-spine immobilization. Two patients were then transported Code 3 to the hospital.

On Wednesday, May 28, there was a structure fire in a single-story duplex at **6341 Morgan Place**. The fire was caused by

an electrical short in the junction box. Damage is estimated at approximately \$5,000. (FD)

DIVISION OF TRAINING

Twelve recruit firefighters received Rescue Systems 1 training at the California State certified RS-1 site located at SFD Co. 2. This academy includes six recruit firefighters from the Lodi Fire Department who are receiving training under contract from the SFD Division of Training. All recruits are currently doing very well and will be provided with a comprehensive fire fighting education over their sixteen week academy. (FD)

COMMUNICATIONS DIVISION

The SFD Emergency Communications Center is in the process of working with State officials to fund and implement additional enhanced 9-1-1 Wireless services. These "Phase 2" services will include the ability to determine near exact geographic location of 9-1-1 callers who use cellular phone technology. This service will greatly enhance our ability to provide excellent service to cellular phone users. (FD)

ARSON INVESTIGATIONS

Fifty-nine fire investigations were conducted in the last fourteen days.

- Thirty-four outdoor type fires: three were accidental, the remainders were undetermined.
- Fourteen structure fires: ten were accidental, two were undetermined, and two were intentional.
- Eleven vehicle fires: three were undetermined, five were accidental and three were intentional.

Dollar loss due to arson this year is \$512,500.

On May 16 the arson investigator was asked to respond to a fire fatality in the Waterloo/Morada Fire District. The investigator arrived to find firefighters on scene of a vehicle fire that had claimed the life of an adult male. A joint investigation was conducted by the Stockton's arson investigator, San Joaquin County Coroner and the Sheriff's Department; the cause of death was left as "undetermined." (FD)

WEED ABATEMENT

Properties on the "public nuisance" list are being checked for compliance. Administrative citations are being issued to those who have not abated or maintained their parcels per the fire department guidelines. Weed complaints are being received daily and owners are being sent a courtesy letter or an administrative citation. (FD)

PUBLIC SAFETY

This week presentations were conducted at the following locations: Creekside Pre-School (30 participants), Channel Medical (10 participants), Sherwood Mall (100 participants), and St. Benedicts School (25 participants). Also fire evacuation drills were conducted with the Office of Emergency Services at the Human Services Building (200 participants) and Economic Employment Development Department (100 participants). (FD)

FIRE/POLICE ADMINISTRATION

On Friday, May 16, Mayor Gary Podesto presented Fire Chief Gary Gillis with the "Protecting Our Liberties Award" and Police Chief Edward Chavez with the "Service to the Court Award" at the San Joaquin County Bar Association's 2003 Law Day Luncheon. (FD)

COUNTY INTERNET STEERING COMMITTEE

Library Director Nicky Stanke is a member of the County's Internet Steering Committee. At the meeting this week she learned that the County is a member of the State Internet Architecture Committee which includes Riverside, Nevada, Kern, Ventura, San Mateo, and Shasta Counties, and the State Library. Recently San Luis Obispo, Calaveras, Tuolumne, and Santa Clara Counties have joined as well. The group has created a general model for county portals, with index headings such as Doing Business, Law & Justice, Living Here/Working Here, etc. In surveys of user preferences this type of search is preferred over searching by "structure" e.g. County Departments/organizational design. The Committee decided to limit links at this time to other governmental entities or to agencies receiving funds from the County or County partners. Eventually the new County web address will be sjgov.org. (LIB)

TRACY LIBRARY RECEIVES GRANTS

The Tracy Branch Library has received \$2000 from the GWF Tracy Community Charitable Foundation, organized to distribute windfall profits from GWF Energy's peaker plant when it goes online. The funds will be used for multicultural materials and programs. The Friends of the Tracy Library also made donations to the branch: \$1000 for books on tape and \$500 for music CDs. (LIB)

LINDEN LIBRARY GRANT

The Linden Branch Library has received \$100 from its Friends of the Library group for children's program performers. (LIB)

SIRSI REPRESENTATIVE ONSITE FOR NEW AUTOMATION SYSTEM PLANNING

The Library's new computer system implementation team met with Sirsi representative Mary Woods at the Chavez Central Library on Wednesday, Thursday, and Friday. Staff from Amador County and Lodi Public Library also attended the discussions, which focused on server and software policy issues. (LIB)

RIPON BRANCH FRIENDS BUY BOOKS TOO

At the annual meeting of the Friends of the Ripon Library the group approved giving \$1000 to the Library for new materials. Citing the reduced book budget due to the State's financial crisis, the Friends agreed to contribute from its treasury for the upcoming fiscal year. In addition the group agreed to build a coalition with community members interested in a new library building for that growing community. (LIB)

POLICE DEPARTMENT CALLS/INCIDENTS

During the period May 22-28 the Stockton Police Department handled 6,905 calls for service, incidents, and/or reports. (POL)

COMMUNITY HEALTH ACTION TEAM (CHAT)

The State Contractors Licensing Board and Insurance Fraud Division, with the San Joaquin County District Attorney's Office, investigated various sites in the Midtown area where building construction work was being performed. Agency representatives found numerous businesses were operating without proper licensing and Workers' Comp insurance. A reinspection of a six-unit apartment building resulted in a Civil Penalties Notice and

Order for failure to substantially complete repairs by the compliance date. A reinspection of five units resulted in a Civil Penalties Notice and Order for failure to substantially complete repairs within the compliance date. Notices and Orders to Repair were issued as a result of several housing violations within four units. A Notice and Order of Intent to Abate by Demolition was issued to a commercial business, as a result of extremely high levels of lead contamination. The property owner was given 30 days to remove the lead or vacate the entire structure, which also includes a vacant residential area. (POL)

GANG STREET ENFORCEMENT TEAM (GSET)

During the period May 19-26 the GSET did 157 field interviews; made 10 felony arrests, 5 felony warrant arrests, 2 misdemeanor arrests, and 2 misdemeanor warrant arrests; conducted 2 probation searches; seized 5 guns including a .380 semi-auto, a .38 revolver, a .9 mm semi-auto, a SKS assault rifle, and a .25 semi-auto; towed 9 cars; issued 19 citations; and confiscated 13 grams of marijuana. (POL)

TRUANCY

During the week of May 19-23 37 juveniles were processed for truancy. Year to date 1,070 students have been processed for truancy, with 280 repeat offenders. Statistics reflect that overall truancy has decreased by approximately 16% compared to the same time period last year. (POL)

D.A.R.E./NEIGHBORHOOD WATCH

School Resource Officers conducted 14 Drug Abuse Resistance Education (D.A.R.E.) graduations during the month of May, with 1,096 students participating in the

graduations. Members of the Special Services Section of the Police Department hosted 15 Neighborhood Watch meetings in May. Plans are underway for the Annual National Night Out events that will be held on August 5 throughout Stockton. (POL)

SEATBELT CHECKPOINT

Last Friday night members of the Police Department Traffic Section conducted a seatbelt checkpoint between 9:00 a.m. and 3:00 p.m. in the 3500 block of West Benjamin Holt Drive, with 1,440 vehicles passing through the checkpoint. Of those vehicles 34 seatbelt violation citations and 6 child restraint seat violation citations were issued. (POL)

ATTEMPTED CARJACKING

On May 23 a man was sitting in his car near Waterloo and "D" Street when two suspects drove up, got out of their vehicle, and demanded the man get out of his car. The victim fled in his car, with the suspects giving chase. The suspects rammed the victim's vehicle several times and then pushed the vehicle into the intersection of Harding and "F" Street, causing it to collide with a pickup. The two suspects then fled in their vehicle. The 17-year-old driver of the pickup sustained major head injuries and is in critical condition. The original carjacking victim sustained a fractured spine and was admitted to the hospital. The Police Department investigated the attempted carjacking, while the Sheriff's Department and CHP investigated the assault which caused the injury collision. One suspect was arrested several hours later and the suspects' vehicle has been impounded. (POL)

WEAPONS ARREST

Last Friday night GSET Officers checked out a group of 20 subjects near a vehicle in the 800 block of Astor. Several of the subjects were from Oakland. Four subjects were

arrested for possession of firearms and all four were documented gang members. (POL)

FORGERY ARRESTS

On May 24 Officers were called to the Ivy Motel on Thornton Road after the motel owner became suspicious about checks written by the suspects. The checks were found to be stolen from Modesto and forged by the suspects. Stolen personal papers were found belonging to residents of the Stevens Motel, located on Highway 99, where the suspects had rented a room with the same stolen checks. Registration papers to a stolen motor home were found in the suspects' room. One of the suspects admitted to stealing the motor home and pointed out where it could be recovered on Quashnick Road. The couple was arrested for auto theft, forgery, possession of stolen property, narcotics, and outstanding warrants. (POL)

ATTEMPTED HOMICIDE

A man was arrested on May 26 in the 6000 block of North Pershing after he beat his ex-girlfriend with his fists and hit her over the head numerous times with a hammer. The suspect had then dragged the victim into a bedroom where he choked and beat her again while threatening to kill her. The victim was treated at the hospital. (POL)

HOMICIDE

On May 27, at approximately 2:20 a.m., Officers responded to a report of a disturbance at Motel 6 on South Turnpike, where they found an unidentified man alone in a room with a gunshot wound to his shoulder. The victim was treated at the hospital, where he later died. Homicide Detectives are investigating the case. (POL)

SUPPORTIVE HOUSING COMMITTEE

This week Housing staff participated in a meeting of the area's Supportive Housing Committee, held at the San Joaquin County Community Development Department. This meeting kicked off the open grant application period for the 2003 Supportive Housing and Shelter Plus Care Programs. The City of Stockton, in collaboration with San Joaquin County, as the lead agency, receives annual grant funds under the federal Housing and Urban Development's (HUD) Continuum of Care, which is a comprehensive approach to assist individuals and families move from homelessness to self-sufficiency. Under the Continuum of Care approach funds are received through the Shelter Plus Care (SPC) Program and the Supportive Housing Program (SHP).

The SPC Program is designed to provide supportive housing opportunities for homeless people with disabilities, primarily those who are seriously mentally ill, have chronic alcohol and drug problems, or have HIV/AIDS. Funds are utilized to provide mental health services, substance abuse treatment, health care, and educational assistance.

The SHP specifically helps homeless people live as independently as possible by facilitating the development of housing and related supportive services for people moving from homelessness to independent living. Funds are utilized for transitional housing, permanent housing for persons with disabilities, safe havens, and other types of supportive services. San Joaquin County will receive \$2,378,421 in SPC and SHP funds combined in

FY 2003-2004. Upon the renewal of five continuing SHP and one S+C sponsor programs \$294,215 will be available for a new project. It is San Joaquin County's goal to maximize the capacity of those funds by securing a "permanent incentive" match by HUD. The incentive, an additional \$750,000, is available if funds are committed to a permanent housing project. One new permanent housing project will be selected for FY 2003-04.

Applications for funds can be picked and returned to the San Joaquin County Community Development Department, 1810 E. Hazelton Avenue, through June 30, 2003. Further information about the applications can be obtained by calling 468-3157. (HRD)

NEIGHBORHOOD SERVICES MONITORING

This week's update is from Lakeview District, located in the Northwest area of Stockton.

Camanche Lane

613 Camanche Lane Apartment complex. Property Management Company has contracted with a construction company for repairs. Ongoing inspections being performed by the Building Department.

Jill Circle

Twelve properties in the Jill Circle/Diana Marie area were cited for debris remaining after the annual curbside collection on May 3. Ten of the piles were removed and the remaining two, which were between properties, were removed by Neighborhood Services Stockton Street Collection Crew. The properties on Diana Marie are all in compliance. There are three active cases on Jill Circle and work is proceeding.

Coventry Drive

Six properties on Coventry Drive are keeping their properties clean of the junk, garbage, and debris. There is a

new property owner at 275 Coventry Drive who is also aware of the ongoing problem and is working to keep their property in compliance. They are planning to install new sod this week and have a tenant that is keeping the trash and debris clean.

Cotton Court

One roof has become deteriorated due to the lack of proper maintenance causing water leaks this past winter. The Property Owner was cited to obtain a roof inspection report from a licensed roof contractor and obtain a building permit for roof replacement.

Gateway Court

There is an ongoing case at Gateway Court with extensive exterior and interior violations. The City has been unable to make contact with a property owner of the complex. Administrative citations are being issued for failure to comply with the minimum Housing, Building Codes, and the SMC. Civil penalties will be imposed if property owner does not respond.

Cal Villa/ Town Home Drive

A recent annual Clean Sweep was conducted in this area. Many property owners were cited for junk, garbage, & debris in the carport areas. Cal Villa's onsite Property Manager, Mary Castle, has been helping with keeping us informed of problems arising.

Carrington Circle

One Public Nuisance case remains open. The property owner was issued an Administrative Citation for weeds and replacement of damaged driveway. Reinspection is scheduled for the first week in June.

Leslie Avenue

One of two properties being monitored for yard

maintenance is in compliance and the case is closed. The other property was issued an Administrative Citation and will be reinspected the first week in June. An additional Property Owner was issued a Violation Warning Notice for lack of yard maintenance. Reinspection is scheduled for the week of June 16.

Greensboro Way

Neighborhood Services is monitoring Greensboro Way for Public Nuisance issues. Three properties have Public Nuisance issues and interior Substandard Housing issues. The property owner of one property is in the process of securing a loan to repair the interior Substandard Housing issues on his property.

Acapulco Way/ Santa Paula

One case along Acapulco Way was inspected and approved. Nine properties still have remaining issues. Property owners are working to obtain compliance on Public nuisance and Substandard Housing violations. Ongoing reinspections are being conducted during the month of June. (HRD)

SALE OF SURPLUS PROPERTY

This information is provided to inform the City Council as outlined in Chapter 3, Section 3-030, Part IV of the May 19, 1988, revision of the Stockton Municipal Code. The Purchasing Division sold the following surplus property. The City sold one Lot surplus scrap metal to Modesto Junk Company of Modesto, for \$141. Through Roger Ernst Associates Auctioneers, Inc. of Modesto the City sold thirteen (13) surplus vehicles for \$16,235. Through Roger Ernst Associates Auctioneers, Inc. of Modesto the City sold one Lot surplus equipment for \$25. (AS)

CENTRAL BUILDING MAINTENANCE

- Fire Station #1 roof has been removed and installation of felt has begun.
- Fire Dispatch carpet colors are being selected by staff.
- Exhaust system for Fire Station #5 was completed and the contractor has moved to Station 14.
- The remodeling of the Tree Crew office is continuing. Wiring is being installed this week as framing continues to progress.
- The forms for the Toy Soldier bases at the Children's Museum have been set and the concrete should be poured next week.
- Designed and installed a mouse pad shelf for Police Dispatch to evaluate a location for improving ergonomics.
- Began construction on a cabinet for the police evidence locker at the Stewart Eberhardt Building.
- Continued the installation of the Web Cam at the Stewart Eberhardt Building.
- Responded to power outage at the Philomathean Building. Vandals had cut the lock and turned off power.
- Made State mandated repairs to the concession stand at Pixie Woods.
- Worked with the contractor on the installation of sound and video equipment for the Council Chambers.

(AS-CBM)

CITY MANAGER'S MEETINGS AND PRESENTATIONS

I held my bi-weekly meetings with Steve Pinkerton and Mark Madison and monthly meeting with a representative of Dan Morris's Office.

I attended a press conference for the UOP Business Forecasting Center along with Congressman Pombo. I held a conference call with Jeff Axtell

of Vestar and Rick Kuhle. I held a meeting with Robert Freed and Randy Knott of KB homes.

I met with Jim Rinehart to discuss progress on the channel development. Greg O'Leary and I met to discuss the City's possible interest in property acquisition and to receive an update on Duck Creek. I attended the General Plan Action Team (GPAT) meeting.

I met with the Channel District Action Team (CDAT) to discuss the Master Plan Development.

On Friday I met with Don Geiger. Roger Storey and I met with Manuel Lopez and Rich Laiblin to discuss annexation negotiations. Don Miller updated me on the Ports. Assemblymember Greg Aghazarian and I met to discuss current issues in Stockton. Mike Rishwain and I met with Anthony Barkett, Debra Hysen, Chief Deputy Director of General Services, Sailaja Cherukuri, and Robert Van Der Volgen to discuss the Parole Board. I met with Johnny Ford and staff regarding golf course capital improvements. (CM)

HAVE A GOOD WEEKEND!

MARK LEWIS
CITY MANAGER
